SUMMARY

Experienced in designing and developing web applications using Java, JavaScript, HTML, CSS, Spring Boot, jQuery and React JS. Skilled in creating scalable, user-friendly solutions with seamless front-end and back-end integration. Known for strong problem-solving abilities, performance optimization, and effective collaboration in fast-paced environments. Committed to continuous learning and delivering high-quality technical solutions.

WORK EXPERIENCE

Software Developer , Kallos Solutions Pvt. Ltd.

Oct 2024 - Present

- **Experienced in front-end development** using HTML, CSS, JavaScript, Bootstrap, and jQuery, specializing in creating dynamic and responsive web pages with user-friendly interfaces. Proficient in integrating ExcelJS for efficient data manipulation and ChartJS for interactive data visualization, enabling enhanced user experiences and streamlined workflows.
- **Worked extensively** on the company's product, Stragiliti, by creating intuitive UI designs, improving performance, and addressing user-centric issues. Additionally, contributed to multiple projects, leveraging front-end technologies to deliver innovative solutions tailored to client and business requirements. Adept at collaborating with cross-functional teams to deliver high-quality solutions that align with project goals and user expectations.

Associate Consultant , Atos | Eviden

Sep 2022 - Aug 2023

- **Experienced in full-stack development** using HTML, CSS, JavaScript, React JS, and Java, with a focus on improving code quality, resolving cross-browser compatibility issues, and optimizing performance to enhance user experience and reduce bounce rates.
- **Salesforce Administrator** with hands-on experience in package installation, Object Manager, App Manager, field generation, and page layout modification. Successfully improved data integration processes, streamlined administrative workflows, and resolved complex issues, leading to enhanced efficiency and accuracy in Salesforce operations.

Systems Trainee , Intellect Design Arena

August 2021 - May 2022

- **Web Technologies:** Strong skills in HTML, CSS, and Bootstrap for structuring web content. Experienced in creating responsive websites that function seamlessly across various devices and screen sizes.
- **Technical Experience:** Experienced in executing CRUD operations with SQL databases such as MySQL, enhancing data management efficiency. Implemented SEO strategies to optimize website performance.
