PROFESSIONAL SUMMARY

Front-End Developer with nearly 3 years of experience building responsive, high-performance web interfaces using React.js, JavaScript (ES6+), HTML5, CSS3, and modern UI frameworks. Skilled in consuming REST APIs, implementing dynamic UI features using jQuery and AJAX, and optimizing front-end performance through lazy loading, code splitting, and efficient rendering techniques. Strong expertise in responsive design, accessibility (WCAG), SEO optimization, and cross-browser compatibility. Adept at translating designs into clean, maintainable code and delivering smooth, user-focused experiences in Agile development environments.

PROFESSIONAL EXPERIENCE

Software Developer — Kallos Solutions Pvt. Ltd.

Oct 2024 - Present

- Developed responsive and SEO-optimized web pages using HTML, CSS, JavaScript, jQuery, AJAX, and Bootstrap.
- Achieved 98% cross-browser compatibility across Chrome, Firefox, and Safari.
- Improved page speed by 25% through lazy loading, script optimization, and reducing render-blocking assets.
- Deployed and configured Node.js applications on IIS, improving application reliability for enterprise clients.
- Performed unit and integration testing, ensuring 95% defect-free deployments.
- Collaborated with designers and backend engineers to deliver scalable, maintainable UI components.
- Developed reusable UI components and introduced improved front-end architecture patterns, resulting in cleaner code and faster development cycles for future Sragiliti modules.

Associate Consultant — Atos

Sep 2022 - Aug 2023

- Built interactive and responsive web applications using React.js, HTML, CSS, JavaScript, and integrated with Java/MySQL APIs.
- Enhanced UI performance through component-level optimization and state management improvements.
- Improved cross-browser consistency and resolved UI bugs across multiple browsers.
- Configured Salesforce UI layouts and automated workflows using Salesforce Flow.
- Worked within Agile sprints to deliver UI enhancements aligned with business objectives.

Systems Trainee — Intellect Design Arena

August 2021 - May 2022

- Developed SEO-friendly websites using HTML, CSS, Bootstrap, JavaScript, and ensured responsive layouts across devices.
- Performed CRUD operations with MySQL and improved query performance.
- Ensured accessibility compliance through WCAG guidelines.
- Improved UI consistency and optimized front-end behavior for better usability.
